READ THIS STATEMENT CAREFULLY

I understand that I am seeking an amendment to decrease the total authorized amount of groundwater for my Historic Use. As set forth in the District Rules, I realize that if this amendment is approved, once the Historic Use verification period closes (December 2008), I will NOT be entitled to increase the total authorized amount of groundwater unless I apply for an Operating Permit, which will require notice, hearing, and approval by the Board of Directors of the District. I also understand that any such future applications to increase the total authorized withdrawal above the amended amount I am seeking in this application may be denied or granted in a lesser amount than I may apply for based on groundwater availability or the District Rules.

CERTIFICATION

I have read the preceding statement and understand it. I hereby certify that the information I have given in this application is true and accurate to the best of my knowledge and belief.
